

## Correction

**Article title:** Nesfatin-1 and neuronostatin neurons are co-expressed with glucocorticoid receptors in the hypothalamus

**Authors:** G. Ekizceli, K.Z. Halk, Z. Minbay and O. Eyigor

**Journal:** *Biotechnic & Histochemistry*

**Bibliometrics:** published online

**DOI:** <https://doi.org/10.1080/10520295.2020.1832703>

When this article originally published, the first sentence in the section “Tissue processing and immunohistochemical double staining” read:

Rats were anesthetized by injecting 70 mg/kg sodium pentobarbital intraperitoneally (i.p.).

The sentence has now been correct as follows:

Rats were deeply anesthetized with ether inhalation.
